Ultra High Performance

EV READY

WET GRIP: A NOISE(dB): A
INCH: 17"-24" SERIES:25-65

- The exclusive logo "EV READY" is engraved on the sidewall, and it is suit for ultra high-performance electric and plug-in hybrid vehicles.
- Large outer tread blocks with narrow longitudinal grooves significantl enhance cornering grip and improve lateral stability.
- The AB composite multi-pitch pattern, optimized through computer simulation, combined with a multi-frequency spoiler within the longitudinal grooves, effectively disperses airflow noise, delivering a quiet and comfortable ride.

High Load(HL): identifies extra load tyres that are designed to carry a higher load at the same reference pressure.

EV

Wide outer blocks, narrow grooves for grip and stable handling.

Optimized AB multi-pitch & groove scramblers reduce tire noise.

Wide longitudinal grooves boost drainage, reduce hydroplaning risk.
